

REQUEST FOR QUALIFICATIONS

April 5, 2010

The Lake Borgne Basin Levee District requests Statements of Qualifications (SOQs) from A/E firms for the preparation of Plans & Specifications for the replacement of a pump station engine at Pump Station #1 or Pump Station #4 in St. Bernard Parish, including any potential associated work such as gear reduction or replacement of the right angle drive. The current engine is at least 40 years old, and replacement parts are difficult to obtain. Pump Station #1 is located along the Forty-Arpent Canal in Chalmette, LA. Pump Station #4 is located along the Forty-Arpent Canal in Violet, LA.

Only A/E firms with at least 5 years of experience in pump station design and engine/motor replacement will be considered. All SOQs must include detailed descriptions that outline the pertinent experience of primary staff who would work on the project and a description of similar jobs completed within the last 5 years.

Questions regarding this project shall be directed to Mr. Robert A. Turner, Jr., Regional Director, SLFPA-E, at 504-355-4100. Proposals may be submitted by mail to the Lake Borgne Basin Levee District, P.O. Box 216, Violet, LA 70092, or hand-delivered to the Lake Borgne Basin Levee District's office at 6136 East St. Bernard Highway, Violet, LA 70092 on or before 4:00pm (CST) Monday, May 3, 2010. Proposals received after this time will not be considered.

Robert A. Turner, Jr., P.E.
